

Voting in the Mazovia Citizens' Budget begins on Wednesday, June 8. It will be the residents of the capital and surrounding areas who will decide which projects will be implemented. The Mazovian local government has allocated PLN 25 million for the implementation of the winning projects.

Among the projects selected for voting are educational and artistic workshops for children and adults, construction of bicycle paths, preventive training in improving driving techniques, purchase of ambulances and hospital equipment, modernization of sidewalks and many others.

The deadline for voting is June 30.

Mazovian residents can choose from 174 projects qualified for voting.

- 47 projects from the province-wide pool
- 27 projects with positive evaluation from the Radom subregion
- 21 projects with positive evaluation from the Plock subregion
- 17 projects with positive evaluation from the Siedlce subregion
- 16 projects with a positive evaluation from the Warsaw West subregion
- 13 projects with a positive evaluation from the Ciechanów subregion
- 11 projects with positive evaluation from the eastern Warsaw subregion
- 9 projects with positive evaluation from the Ostroleka subregion
- 8 projects with positive evaluation from the Zyrardowski subregion
- 5 projects with positive evaluation from Warsaw
